City of
Rochester Hills
MASTER PLAN
2025

**Home Owners
Association (HOA)
Public Input Session**

What is a Master Plan...

In simple terms, think of the Master Plan as a roadmap for our community's future. The Master Plan guides future open space preservation, residential development, commercial construction and industrial job creation while mixing in historic preservation, livability, mobility and sustainability.

The Master Plan Process

**Phase 1
Understand**

1

Understand the state of the City in terms of environment, land use, demographics, etc.

Your voice is crucial in this process. So please join us during this initial Master Plan public input session where your input will play a key role in shaping decisions and help guide Rochester Hills' development over the course of the next several decades.
